**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018  
RE: FCC Form 471 132895**

---

**I. INTRODUCTION AND SUMMARY**

The Whitefish Bay School District ("Whitefish Bay District") serves around 3000 students in Grades Kindergarten through Grade 12. We have been taking part in the E-Rate program for many years. We have been able to benefit from this program and bring Internet speeds that help our teachers and students achieve an education that is exceptional. The Whitefish Bay School District takes pride in providing an educational experience that is second to none in the area.

The Whitefish Bay School District submitted and certified their Funding Year 2018 FCC Form 471, #181042354, in the "Apply Online" portal of the Schools and Libraries Division ("SLD") of

the Universal Service Administrative Company's ("USAC") website, on insert date you filed your Form 471, just 14 days after the FCC Form 471 filing deadline.

A staff member of the Whitefish Bay School District works E-Rate into his already busy work schedule, and is the sole staff member performing E-Rate duties. Due to illness and network hardware failures that was affecting the entire district, the filing deadline was missed. Once he returned to work, and rectified the situation that was affecting the entire district, the form was filed immediately.

## **II. Request**

The Whitefish Bay School District respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Whitefish Bay School District to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 #181042354 due to the situation described above. We sincerely apologize that this deadline was missed, and will make efforts to ensure that in the future the date is not missed.

Respectfully submitted,

---
